7. Award Two Job Order Contracts and Approve a Construction Task Catalog. (All Districts)

Recommend that the Board of Commissioners find that the award of the JOCs 16 and 17 and adoption of the Construction Task Catalog are exempt from California Environmental Quality Act (CEQA), for the reasons stated in this letter and in the record of the action; award one Job Order Contract (JOC 16) to Access Pacific, Inc., for a not-to-exceed amount of \$4,300,000 to be financed through various program funds included in the annual approved budget; award one Job Order Contract (JOC 17) to Torres Construction Corporation for a not-to-exceed amount of \$4,300,000, to be financed through various program funds included in the annual approved budget; authorize the Executive Director or his designee to execute the Job Order Contracts in the form previously approved as to form by County Counsel, and to establish the effective date following receipt of approved Faithful Performance and Payment for Labor and Materials Bonds filed by Access Pacific, Inc., and Torres Construction Corporation; authorize the Executive Director or his designee to issue work orders for the maintenance, repair, refurbishment, rehabilitation, retrofit, remodeling and other repetitive-type work on an as-needed basis of Housing Authority facilities and infrastructure, to Access Pacific, Inc., and Torres Construction Corporation, in the aggregate work order amount not to exceed the maximum amount of each Job Order Contract; adopt the September 2013 Job Order Contract Construction Task Catalog; authorize the Executive Director or his designee, if necessary, to amend, or to terminate any of the two Job Order Contracts or to terminate the Contractor's right to proceed with the performance of Job Order Contracts. (APPROVE)

8. Acceptance of a Commission General Fund Loan and Award of a Construction Contract to Torres Construction Corporation for the Replacement of Roofs and Common Area Heating, Ventilation and Air Conditioning System at the Lancaster Homes Multifamily Senior Housing Development. (District 5)

Recommend that the Board of Commissioners find that the approval of the Contract and the project for the replacement of roofs and air conditioning system and associated work at the Lancaster Homes multifamily senior housing development is exempt from the California Environmental Quality Act (CEQA) for the reasons stated in this letter and the record of the project; award and authorize the Executive Director or his designee to execute or amend a Contract and all related documents with Torres Construction Corporation, the lowest responsive and responsible bidder, in the amount of \$1,190,000 to complete the replacement of roofs, common area HVAC systems and associated work at the Lancaster Homes multifamily senior housing development, using Commission General Fund loan proceeds to be incorporated into the Housing Authority's approved

Fiscal Year 2013-2014 budget; authorize the Executive Director or his designee, if necessary, to terminate the contractor's right to proceed with the performance of the Contract or terminate the Contract; authorize the Executive Director or his designee to approve Contract change orders not to exceed \$238,000 for unforeseen project costs, using the Commission General Fund loan and following approval as to form by County Counsel; authorize the Executive Director or his designee to accept a \$5,000,000 Commission General Fund loan to be paid back to the Commission over 20 years at a simple 3% fixed interest, and to incorporate up to \$1,428,000 in Commission General Funds into the Housing Authority's approved Fiscal Year 2013-2014 budget for the purposes described above. (APPROVE)

9. **Concurrence with the Board Approval of the Submittal of Rental Assistance Demonstration (RAD) Program Applications for Various Public Housing Developments. (District 1, 2 & 4)**

Concur with the Board's approval to adopt and instruct the Chairman to sign the attached resolution approving submittal of RAD program applications to the U.S. Department of Housing and Urban Development (HUD); concur with the Board's approval to authorize the Executive Director or his designee to execute all related documents and to take any other necessary actions to comply with the requirements of the RAD program; find that submittal of the applications to HUD is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the action is not defined as a project under CEQA. (CONCUR)

10. **Concurrence with Board Approval of Two Memoranda of Understanding with the Laborers' International Union of North America Local 777. (All Districts)**

Concur with the Board's approval of two three-year MOUs between the Commission and LIUNA for both the Maintenance Worker and Program Specialist Bargaining Units, to be effective January 1, 2014 through December 31, 2016; concur with the Board's approval of a three-step General Salary Adjustment to the Commission's Salary Schedule to be paid out to all current employees effective January 1, 2014; January 1, 2015 and July 1, 2015 with 2% at each occurrence; concur with the Board's approval of a three-step increase to the employer contribution for all Optional Benefit plan participants to \$850 per month effective January 1, 2014, \$875 per month effective January 1, 2015, and \$900 per month effective January 1, 2016; concur with the Board's approval of an increase to standby compensation and a change in callback status for the Maintenance Worker Unit as described herein and reflected in the terms contained in the MOU; concur with the Board's approval of the use and incorporation of up to \$350,000 in Commission General Funds into the Commission's approved Fiscal Year 2013-2014 budget, to cover the General Salary Adjustment for January 1, 2014; concur with the Board's finding that the approval of the MOUs is not subject to the provisions of the California Environmental

Quality Act (CEQA), as described herein, because the action will not have the potential for causing a significant effect on the environment. (CONCUR)

11. **Approval of 2014 Housing Commission Meeting Schedule**
12. **Election of Chair and Vice Chair 2014**
13. **Housing Commissioners may provide comments or suggestions for future Agenda items.**

Agenda Item No. 4

Closed Session

Agenda Item No. 5 – Report of the Executive Director

Deputy Executive Director Emilio Salas reported the following:

Mr. Salas welcomed the Housing Commissioners to the Community Development Commission and Housing Authority of the County of Los Angeles Headquarters in the City of Alhambra.

Emilio Salas stated that the Budget Conference Committee met formally for a second time last week to hear potential fiscal options for reducing the deficit from the Congressional Budget Office (CBO). During the hearing, the CBO released a report detailing 103 options to decrease the federal deficit from 2014 through 2023. The CBO report includes options to reduce mandatory and discretionary spending, curtail entitlement benefits, as well as increase personal and corporate taxes. He also stated that rather than engaging in an advocacy trip to Washington, D.C., we are preparing advocacy letters to budget conferees and our Congressional delegation, discussing the impact sequestration and the shutdown have had on Los Angeles County.

Emilio Salas informed the Housing Commissioners that NAHRO will be hosting their annual legislative conference in early 2014. This event will take place in Washington, D.C., and will have information on the impact the Housing Programs will have with new budget constraints. He will keep the Commissioners informed of the upcoming event.

Emilio Salas stated that a draft of the 2014 Housing Commission schedule has been distributed to the Housing Commissioners for their review and they will vote on approving the schedule for the 2014 calendar year.

Emilio Salas also stated at the next meeting in December, the Housing Commissioners will be nominating and voting on the new Chair and Vice Chair for the 2014 calendar year.

Emilio Salas informed the Housing Commissioners that starting next month, a new self-service appointment system will be installed for the Section 8 office located at the Alhambra building. The new kiosk will be used to notify staff when their appointment has arrived.

Emilio Salas announced the upcoming holiday events that will be taking place at various locations within the Housing Authority complexes.

Agenda Item No. 8 – Housing Commissioner Comments and Recommendations for Future Agenda Items

Commissioner Porter thanked staff for their continued hard work. He asked for an update of the Housing Commission by-laws to occur within the 1st quarter of the upcoming year. Commissioner Porter wished all a happy and safe Thanksgiving holiday.

Commissioner Gallego stated that she enjoyed hearing the success story shared by the FSS participant. She thanked staff for their work and wished everyone a Happy Thanksgiving.

Commissioner Knight suggested that the Housing Authority should host future housing events for the National Association of Housing and Redevelopment Officials (NAHRO). The Housing Authority should be shown as a role model of what a housing authority should be. She thanked staff for their continued hard work and wished everyone a Happy Thanksgiving.

Commissioner Lerch stated that he enjoyed hearing the success from the FSS participants. He thanked everyone involved for their hard work and for the great Thanksgiving meal.

On Motion by Commissioner Porter and seconded by Commissioner Knight, the Regular Meeting of November 20, 2013 was adjourned at 1:28 p.m.

Honorable Housing Commissioners
Housing Authority of the
County of Los Angeles
700 West Main Street
Alhambra, California 91801

Dear Commissioners:

**AWARD TWO JOB ORDER CONTRACTS AND APPROVE A CONSTRUCTION
TASK CATALOG
(ALL DISTRICTS)**

SUBJECT

This letter recommends award of two separate Job Order Contracts (JOCs) to the lowest responsive and responsible bidders to provide maintenance, repair, refurbishment, rehabilitation, retrofit and other repetitive-type work for the Housing Authority. The letter also recommends approval of the JOC Task Catalog, which includes labor, equipment, material costs and specifications necessary for work under the JOCs, and authority for the Executive Director to issue work orders under the JOCs.

IT IS RECOMMENDED THAT YOUR COMMISSION:

1. Recommend that the Board of Commissioners find that the award of the JOCs 16 and 17 and adoption of the Construction Task Catalog are exempt from California Environmental Quality Act (CEQA), for the reasons stated in this letter and in the record of the action.
2. Recommend that the Board of Commissioners award one Job Order Contract (JOC 16) to Access Pacific, Inc. for a not-to-exceed amount of \$4,300,000 to be financed through various program funds included in the annual approved budget.
2. Recommend that the Board of Commissioners award one Job Order Contract (JOC 17) to Torres Construction Corporation for a not-to-

exceed amount of \$4,300,000, to be financed through various program funds included in the annual approved budget.

3. Recommend that the Board of Commissioners authorize the Executive Director or his designee to execute the Job Order Contracts in the form previously approved as to form by County Counsel, and to establish the effective date following receipt of approved Faithful Performance and Payment for Labor and Materials Bonds filed by Access Pacific, Inc. and Torres Construction Corporation.
4. Recommend that the Board of Commissioners authorize the Executive Director or his designee to issue work orders for the maintenance, repair, refurbishment, rehabilitation, retrofit, remodeling and other repetitive-type work on an as-needed basis of Housing Authority facilities and infrastructure, to Access Pacific, Inc. and Torres Construction Corporation, in the aggregate work order amount not to exceed the maximum amount of each Job Order Contract.
5. Recommend that the Board of Commissioners adopt the September 2013 Job Order Contract Construction Task Catalog.
6. Recommend that the Board of Commissioners authorize the Executive Director or his designee, if necessary, to amend, or to terminate any of the two Job Order Contracts or to terminate the Contractor's right to proceed with the performance of Job Order Contracts.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will find award of the Job Order Contracts (JOCs) and adoption of the JOC Construction Task Catalog exempt from the California Environmental Quality Act (CEQA), and augment the Housing Authority's ability to effectively and efficiently maintain, repair, remodel, and refurbish Housing Authority properties.

The JOC program is a flexible, cost-effective, unit price, and indefinite quantity contracting method used to effectively and efficiently accomplish maintenance, repair, refurbishment, rehabilitation, retrofit and other repetitive-type work at Housing Authority developments without extensive plans and specifications. This process reduces administrative costs and lowers direct construction costs while meeting all Federal, State, and County procurement requirements.

The State Public Contract Code provides that JOCs are contracts for a single-year duration. As required by State Public Contract Code 20128.5, the proposed JOCs will be used for maintenance, repair, remodeling, and refurbishment or other repetitive work, but will not be used for the construction of a new housing development.

FISCAL IMPACT/FINANCING

There is no impact on the County general funds.

The JOCs will be funded with a total of up to \$8,600,000 in public housing operating funds, non-conventional funds, Community Development Block Grant (CDBG) funds and Capital Fund Program (CFP) funds allocated by the U.S. Department of Housing and Urban Development (HUD), Community Development Commission General Funds and funds from the disposition of the administrative buildings located at 4800 E. Cesar Chavez Avenue, Los Angeles CA 90022. Funds for the Fiscal Year 2014-2015 budget will be included in the Housing Authority's annual budget approval process as needed.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On January 4, 2011, your Board approved the award of a contract to the Gordian Group for consulting services to assist the Housing Authority with the development, implementation, and support of the JOC program. The Gordian Group prepared the JOC Construction Task Catalog, which includes the labor, equipment, material costs and specifications necessary for work under a JOC. The JOC Construction Task Catalog was last updated in September 2013, and requires adoption by your Board.

On October 9, 2012, your Board approved two JOCs for the Housing Authority, both of which expired on October 15, 2013. The time and cost to implement capital projects under the JOC program compared to the traditional design, bid and build process has provided the Housing Authority with substantial savings on staff time, consultant and construction costs. The Housing Authority is again seeking approval for two additional JOCs to be approved simultaneously in order to ensure that the contractors can manage time-sensitive projects expeditiously.

The program is being primarily federally funded, and is not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, the Contractor will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

Approval of the recommended actions will award two separate JOCs to the apparent lowest responsive and responsible bidders. The JOCs have been approved as to form by County Counsel and executed by Access Pacific, Inc. (JOC 16) and Torres Construction Corporation (JOC 17).

ENVIRONMENTAL DOCUMENTATION

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.35 (a)(3)(ii), this action is excluded from the National Environmental Policy Act (NEPA) because it involves activities that will not alter existing environmental conditions. The award of the JOCs is recommended action is categorically exempt from CEQA. JOCs provide facilities repairs, maintenance, retrofit and refurbishment services, which are generally categorically exempt under Section 15301, Class 1 of the State CEQA Guidelines. The proposed projects are covered by the general rule that CEQA applies only to the projects that have the potential for causing a significant effect on the environment. Your Board's approval of the JOCs does not include approval of work done pursuant to specific work orders. The implementation of each work order under the JOCs shall be subject to prior determination and documentation by the Housing Authority that the work is categorically exempt from CEQA. In the event the work is not exempt, your Board will be requested to approve the appropriate environmental finding and any applicable documentation pursuant to CEQA prior to implementation of work orders under the JOCs.

CONTRACTING PROCESS

On October 7, 2013, the Housing Authority publicly advertised bids for two separate and identical JOCs on an open-competitive basis, in accordance with applicable Federal, State, and County requirements, to identify contractors to complete work on the Housing Authority's JOC program. Announcements were sent to 443 contractors identified from the Housing Authority vendor list. Advertisements also appeared in eight local newspapers and on the County WebVen and Housing Authority websites.

JOC 16 (CDC13-235):

On November 12, 2013, eleven bids were received and formally opened for JOC 16 (CDC13-235). The lowest bid, submitted by Access Pacific, Inc., was determined to be the lowest responsive and responsible, and is being recommended for the JOC award.

JOC 17 (CDC13-236):

On November 12, 2013, eleven bids were received and formally opened for JOC 17 (CDC13-236). The lowest bid, submitted by Torres Construction Corporation, was determined to be the lowest responsive and responsible, and is being recommended for the JOC award.

The Summary of the Outreach Activities and the bid results are provided as Attachment A.

Honorable Housing Commissioners
Housing Authority of the
County of Los Angeles
700 West Main Street
Alhambra, California 91801

Dear Commissioners:

**ACCEPTANCE OF A COMMISSION GENERAL FUND LOAN AND AWARD OF A
CONSTRUCTION CONTRACT TO TORRES CONSTRUCTION CORPORATION FOR
THE REPLACEMENT OF ROOFS AND COMMON AREA HEATING, VENTILATION
AND AIR CONDITONING SYSTEM AT THE LANCASTER HOMES MULTIFAMILY
SENIOR HOUSING DEVELOPMENT
(DISTRICT 5)**

SUBJECT

This letter recommends acceptance of a \$5,000,000 Community Development Commission (Commission) General Fund loan for the rehabilitation and modernization of the Lancaster Homes multifamily senior housing development located at 711-737 West Jackman Street in the City of Lancaster. This letter also recommends award of a Construction Contract (Contract) to Torres Construction Corporation, the lowest responsive and responsible bidder, to complete the replacement of roofs and common area heating, ventilation and air conditioning (HVAC) system, using a portion of the loan proceeds.

IT IS RECOMMENDED THAT YOUR COMMISSION:

1. Recommend that the Board of Commissioners find that the approval of the Contract and the project for the replacement of roofs and air conditioning system and associated work at the Lancaster Homes multifamily senior housing development is exempt from the California Environmental Quality Act (CEQA) for the reasons stated in this letter and the record of the project.
2. Recommend that the Board of Commissioners award and authorize the Executive Director or his designee to execute or amend a Contract and all

related documents with Torres Construction Corporation, the lowest responsive and responsible bidder, in the amount of \$1,190,000 to complete the replacement of roofs, common area HVAC systems and associated work at the Lancaster Homes multifamily senior housing development, using Commission General Fund loan proceeds to be incorporated into the Housing Authority's approved Fiscal Year 2013-2014 budget.

3. Recommend that the Board of Commissioners authorize the Executive Director or his designee, if necessary, to terminate the contractor's right to proceed with the performance of the Contract or terminate the Contract.
4. Recommend that the Board of Commissioners authorize the Executive Director or his designee to approve Contract change orders not to exceed \$238,000 for unforeseen project costs, using the Commission General Fund loan and following approval as to form by County Counsel.
5. Recommend that the Board of Commissioners authorize the Executive Director or his designee to accept a \$5,000,000 Commission General Fund loan to be paid back to the Commission over 20 years at a simple 3% fixed interest, and to incorporate up to \$1,428,000 in Commission General Funds into the Housing Authority's approved Fiscal Year 2013-2014 budget for the purposes described above.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to accept a \$5,000,000 loan from the Community Development Commission, to award a Contract for the replacement of roofs and common area HVAC system and associated work at Lancaster Homes, and to find that the project is exempt from the California Environmental Quality Act.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The Housing Authority will fund the improvements with up to \$1,190,000 in Commission General Fund loan proceeds to be incorporated into the Housing Authority's approved Fiscal Year 2013-2014 budget.

A 20% contingency, in the amount of \$238,000, is being set aside for unforeseen costs using the same source of funds. This contingency is recommended because the replacement of roofs and HVAC systems often involves unforeseen conditions that extend further than initially identified in the scope of work.

The \$5,000,000 Commission General Fund loan will be restricted and reserved as a line of credit to finance this Contract and other work needed at Lancaster Homes. The loan will be repaid over 20 years at a simple 3% fixed interest rate. Rental Income and

Housing Assistance Payments (HAP) contract funds will be used to pay the Commission General Fund loan over the next 20 years.

This Contract will utilize a portion of the \$5,000,000 Commission General Fund loan. The remaining loan proceeds will be utilized at Lancaster Homes for the replacement of common area flooring and painting, elevators, fire alarm system, and if funding permits, remodeling of kitchens and bathrooms. The Housing Authority will return to the Board as needed for approval of any applicable contracts to be funded with the loan proceeds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Lancaster Homes housing development consists of a pair of two-story residential buildings with a total of 120 housing units. The scope of work for this Contract includes the replacement of roofs and common area HVAC system, including electrical, plumbing, waterproofing, drywall, painting and associated work.

The improvements are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, Torres Construction Corporation will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

CONTRACTING PROCESS

On October 21, 2013, the Housing Authority initiated an outreach to identify a contractor to complete the work at the subject property. Invitations for Bids were electronically sent to all 395 Class B licensed contractors identified from the Housing Authority's vendor list. Advertisements also appeared in the Dodge Construction/ Green Sheet newspaper and on the County WebVen and Housing Authority websites.

On November 13, 2013, three bids were received and formally opened. The lowest bidder, Torres Construction Corporation, was determined to be the lowest responsive and responsible bidder and is being recommended for the Contract award.

The Summary of the Outreach Activities is provided in Attachment A.

ENVIRONMENTAL DOCUMENTATION

Pursuant to 24 Code of Federal Regulation, Part 58, Section 58.35 (a) (3)(ii), this project is excluded from the National Environmental Policy Act because it involves activities that will not alter existing environmental conditions. It is categorically exempt from the provisions of CEQA. The project (replacement of roofs and common area HVAC

system including electrical, plumbing, waterproofing, drywall, painting, and associated work) is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301 of the CEQA Guidelines and Class 1 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. In addition, the project is not in a sensitive environment, and there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

IMPACT ON CURRENT PROJECT

The award of the Contract will replace the older roofs and common area HVAC system at the Lancaster Homes multifamily senior housing development, conserving energy, increasing cost savings to the Housing Authority and improving services to the residents.
